

To Whom It May Concern:

We ask that you please consider supporting the 2016 Teal Tea, a charity event of *Carolyn's Pennies*. I am a fourteen year, two-time survivor of ovarian cancer. In 2008 my husband, Russ Shandrowski, and I founded *Carolyn's Pennies* to support and encourage other ovarian cancer survivors as they fight this deadly disease.

Ovarian cancer is the deadliest of all gynecological cancers. The American Cancer Society estimates that about 22,280 women will receive a new diagnosis of ovarian cancer and about 15,500 women will die from this disease each year.

The Teal Tea will be held on May 1<sup>st</sup> at The View at Briarcliff, located in the Courtyard by Marriott in Kansas City, Missouri. The event is designed to bring ovarian cancer survivors and their families and friends together for emotional and social support. Guests will be served an elegant early afternoon tea, will bid on a variety of silent auction items, will participate in several exciting raffles, and will showcase local talent. We are excited to have, medical reporter, Meryl Lin McKean from Fox 4 News to be the Master's of Ceremony.

We believe that we can make a difference in the lives of the women in our community. Please join us by making a financial contribution, by donating new items for the gift baskets prepared for the silent auction or raffles, or by volunteering for the event. Carolyn's Pennies has supported Kansas City Clinic for testing of women who are underinsured or uninsured, Saint Luke's with information to ovarian cancer survivors and KU Cancer center to help a variety of ways to patients.

Thank you for your consideration in helping to provide support to this important women's health cause.

Most sincerely,

Carolyn Shandrowski
