FEATURED BOARD MEMBER: DAVID WELSH

Everyone calls him Dave, the Co-Founder and Chairman of the Board for the Vicki Welsh Fund. His passion is ovarian cancer awareness. In 2006, his wife of 33 years passed away after a four year battle with ovarian cancer. Then three

months later he lost his mother to ovarian cancer. David retired from Missouri Gas Energy with 43 years of service. He has been active in ovarian cancer awareness for over ten years. David is a certified licensed auctioneer. He

has contributed his services to numerous charities including, Special Olympics, Cystic Fibrosis, and Children With Autism. David was honored for his service and received the Buck O'Neal award on August 25, 2009, at Kansas City Royals stadium.

The Four Primary Symptoms of Ovarian Cancer are:

- Bloating
- Pelvic or abdominal pain
- Urinary Frequency
- Difficulty eating or feeling full too quickly

Other symptoms may include:

- Indigestion, gas, nausea
- Constipation, diarrhea
- Abnormal bleeding, painful intercourse
- Shortness of breath
- Unusual fatigue
- Unexpected weight gain/loss

Symptoms can be vague, but 95% of women report these symptoms. If you experience these symptoms from time to time, do not be alarmed. If symptoms persist for two or more weeks, please consult your physician. 

TEAL TEA—HELD MAY 1, 2016

Russ and Carolyn Shandrowski (pictured below) Founders of Carolyn's Pennies raised \$30,000 at this year's Teal Tea. The money raised helps support research and patients going through treatments. Want to give? Contact Carolyn at carolynspennies@yahoo.com for a Can Coin to collect your spare change. Make your pennies count!
